SUPER CARRY

SUZUKI

GETS WORK DONE

Since 1961 the Super Carry has been getting the job done. Now in its 11th generation, it's as dependable as ever. Whatever you need delivered, the Super Carry is designed to take on. Anywhere, any time: the reliability, cost-effectiveness, strength, and no-frills functionality of the Super Carry make it a business partner that works as hard as you do.

Low fuel-efficiency and running costs, along with Japanese reliability, make this a strong and trustworthy vehicle that is built to last. The Super Carry won't let you – or your business – down.

THE POWER OF CONVENIENCE

NEW CAR DEALS

While the design of the Super Carry is simple and straightforward, the cabin has what it takes to carry the load.

With a functional dashboard and 7-position drivers-seat slide, the interior of the Super Carry gives you all the movement you need, with none of the fuss.

The cabin has ample leg- and head-room, to ensure you get the job done without feeling cramped. The interior features:

- Sun visors
- Assist grips
- 12v accessory socket
- Driver's and passenger pockets with bottle holders

DESIGN

The Super Carry has been designed with your business needs in mind. Its strong, built-to-last petrol-driven power, 750kg load-capacity, and load box that is the widest in its class are all implemented with a no-nonsense approach to your business.

With the exterior features that allow you to secure any load, and a removable bed to allow for other body options, the Super Carry is the best choice for your business needs.

4.3m

EASE OF USE

Ease of use is a big part of the Super Carry's appeal. With a 4.3m turning radius and ground clearance of 175mm, the width of the Super Carry is easy to manoeuvre in any situation.

With practical and reliable design and structure, the Super Carry is a purpose-built drive that you can really depend on.

SUZUKI
COMPLETE

Suzuki understands that purchasing a new vehicle is a substantial investment. Our unwavering commitment to customer satisfaction is represented in our 'Suzuki Complete' package, which includes every aspect of after-sales support, with warranty, service plan, and roadside assistance standard.

Warranty

All Suzuki models are covered by a comprehensive manufacturer's warranty against any defects for a period of 3-year/100 000km. This is supported by a six-year body corrosion warranty subject to terms and conditions. The comprehensive manufacturer's warranty is strictly reserved to new passenger cars purchased at Suzuki dealerships nationwide.

Service Intervals

10 000km or one year, whichever comes first.

Roadside Assistance

Every new Super Carry comes with a roadside assistance plan. Some of the benefits offered by this comprehensive package include: battery and locksmith call-out services, mechanical and electrical, breakdown towing (accident towing is optional), emergency medical rescue, vehicle repatriation and a stand-by-you roadside security armed-response service.
